18  
19 This Court has ruled already on the case and WatchTower cannot accept that they need to know the  
20 person known as Darkspilver, and Redditt has the First Amendment right to allow Darkspilver the  
21 First Amendment Right of Free Speech and Darkspiver' Right to freedom of religion.

22 This past week WatchTower used its power to strike and take down EX-JW Wally on Youtube  
23 because EX-JW Wally and his cat named ZeeZee poked fun at the Mega Rich WatchTower, for  
24 being so wealthy yet WatchTower lectures it's members to not seek riches, and EX-JW Wally had a  
25 running gag to poke good nurtured fun at the WatchTower which many of us Ex-jw members found  
26 to be very humorous which is 100% 'FAIR USE" under Copyright law. As noted around  
27 10/22/2023 new limitations date.

1 WatchTower was already scolded by this Court for trying to disrupt Redditt's right to allow people  
2 a Free Speech Forum, so Watchtower believing that their Church can strike down any Free Speech  
3 goes about striking EX-JW Wally on his Youtube channel.

## Points of Concern

5 1. In the Hearing minutes Mr Polidoro at 1;21 in the Hearing said that he did not know what efforts  
6 could be taken to protect Darkspilver. Freedom of speech and freedom of Religion are not  
7 considered by Mr Polidoro representing WatchTower as Darkspilver's rights.  
8 2. Mr Polidoro Claims that there is some kind of Copyright violation and later goes on to say that  
9 the WatchTower web site JW.Org has the information posted, in fact JW.ORG publishes all of this  
10 so called Copyrighted material for "free" for everyone to download, so by the mere fact  
11 Watchtower gives the alleged copyright material away for free is a problem that needs for the Court  
12 to consider, WatchTower known for door to door ministry giving copyright material for free to  
13 house holders actually means that WatchTower has waived its Copyright entirely.  
14 3 Darkspilver is actually a Whistle-blower and has Whistle-blower protection, Watchtower is  
15 currently under investigation by the Pennsylvania Attorney General's office for being a Criminal  
16 Child molester enterprise, and has had hundreds of lawsuits filed against them, and hundreds of  
17 Child molester rings existing within WatchTower Churches, have been arrested and prosecuted  
18 within the WatchTower congregations and is a matter of Legal record, and Darkspilver and all Ex-  
19 Jehovah's Witnesses have total First Amendment Rights to voice their opinions on the legal matters  
20 of record.

## Point of Concern #2

22 At 4; 29 seconds (in the Hearing minutes) Judge Kim points out that Document #2 is not a  
23 copyright issue, so the question is why is document #2 placed on the records? The answer is  
24 WatchTower wants to seek some punishment against Darkspilver. after all Judge Kim has  
25 confidentiality concerns for Darkspilver.

26 Let's be upfront here, the main thing Watchtower wants to do is punish Darkspilver, at 7;38 in the  
27 Court minutes, the discussion goes to the Disfellowshiping process, that Watchtower uses to punish  
28 it's members, at 11;11 Judge Kim asked about this type of punishment called Disfellowshiping and

1 Mr Polidoro goes on to explain its a local Congregation decision and gives Judge Kim a print out,  
2 then Mr Polidoro uses an example of a “Thief” herein is the problem, Watchtower is not a police  
3 agency so as described Mr. Polidoro he says the Thief is punished by the WatchTower Elders,  
4 .....in a disfellowshipping Court, (Mr Polidoro calls the Court a Judicial committee) and the Thief  
5 has no Miranda rights, no right to legal representation, no rights of due process, but can be  
6 disfellowshipped, and found guilty, and punished which is a form of blacklisting, shunning which  
7 destroys families, causes divorce and suicide, the Watchtower actually runs a Court, in addition to  
8 that, if anyone wants to leave the WatchTower Organization they can't leave without some kind of  
9 punishment, in this WatchTower “Court,” thus people that want to leave and go to another Church  
10 because they believe WatchTower's rules are unfair, can't leave, there is no right of First  
11 Amendment Freedom of Religion. Secondly Watchtower does not report the thief to the police  
12 because Watchtower believes that crimes are a sin, thus Misdemeanors or Felonies are handled by  
13 this Court and punished as sins. So the WatchTower position is they are the Court of record and this  
14 record is placed on the membership records of this person as permanent discipline without the right  
15 to expunge the record, which is a life sentence.

## 16 Motion for the Court to Order WatchTower publications

waived from Copyright law.

18 The WatchTower gives the publications away for free and only seeks to sue someone if that person  
19 uses free speech on a forum to talk negatively against WatchTower and placed on this record by  
20 Attorney Ms Moss, the fact Watchtower uses it power to Witch Hunt as said by Mr Polidoro and it  
21 is a Witch hunt to bring First Amendment users into WatchTower Court.

22 Mr Polidoro continues to lecture us on Watchtower's history of free speech advocacy, well some  
23 of us have been to law school and we see differently, then Mr Polidoro turns around and says he is  
24 seeking something that may not exist (Referring to the chart was not intended by Watchtower to be  
25 Copyrighted). Again a NON Copyrighted Chart is admitting that this case is about finding the name  
26 of Darkspilver for Church Court punishment.

1 Since EVERYTHING on JW.ORG is Free for the purpose of promoting Watchtower's religious  
2 views, then where is the problem? Then why does WatchTower want to know who people are? Mr  
3 Polidoro admitted he wanted damages, this all about Church Court punishment.

4

5 Motion to stop Watchtower disfellowshiping  
6 and Watchtower's Judicial Court

7

8 Most Watchtower members live in fear of the WatchTower in House Court process of  
9 disfellowshiping, but if they were to be able to leave without any punishment millions would leave,  
10 the Court ruling affirmative on this matter would allow many members to exercise their rights to  
11 freedom of religion and going to a Church that does not have a Court process.

12 Ms Moss in this case properly brings out an example of a wife saying something negative and her  
13 innocent husband was punished, this happens all the time in this Watchtower Court proceedings and  
14 laws of the United States presume that people are innocent until proven guilty in Watchtower Court  
15 a person can't even get a defense and is always presumed guilty.

16 Mr Polidoro said that Jehovah's Witnesses go by Galatians 6-1 which says **Brothers, if someone is**  
17 **caught in a sin, you who are spiritual should restore him gently. But watch yourself, or you**  
18 **also may be tempted. Carry each other's burdens, and in this way you will fulfill the law of**  
19 **Christ.**

20 WatchTower's incorrect view sees Felonies and Misdemeanors as sins when they are crimes, then  
21 the Watchtower holds Court hearings.

22 Mr Polidoro used an illustration so I am going to use a factual illustration, WatchTower uses a  
23 "Two Witness Rule," example if a woman was beaten and raped, it did not happen unless there are  
24 "Two Witnesses" that can claim they saw it.

25 The Interested Party would like to point out that WatchTower Attorney Phillip Bromley was  
26 sanctioned by a Montana Court for lying to the Court (see case 1:20CV-00052 U S District Court  
27 Montana), which seems to be a pattern Watchtower uses and the Montana Court on Sept.28 2023  
28 ruled in Document 268 page 13 second paragraph, the Court agrees that Watchtower uses bait and

1 switch tactics in which Watchtower falsely claimed the depositions was a part of "Watchtower's  
2 process" and the Court had no power in the matter and the Court warned Watchtower the matter  
3 was subpoena matter though the Court and "Watchtower had no right to exercise that control." The  
4 Court went on to tell the Watchtower to act in "Good faith" Watchtower's motion for protective  
5 order was stuck down, based on Watchtower's attempt to control the Court though bait and switch  
6 tactics.

7 Mr Polidoro said Watchtower was not on a Witch Hunt to punish people for Free Speech but in lieu  
8 of the facts and the recent strike of Ex-JW Wally the Watchtower is lying again, and within this  
9 Hearing Mr Polidoro, called the disfellowshiping a "Judicial committee."

10

11

#### Sanctions

12

13 Sanctions against Mr Polidoro are founded, and the Court should proceed. Mr Polodoro told the

14

15

#### Jurisdiction

16

17 WatchTower attorney Polidoro requested this Court be the Court of Jurisdiction on Copyright and  
18 the Court reserved that ruling, but the Interested Party notes that this is the ONLY Court  
19 WatchTower's Copyright claims have come up in thus by the fact this Court is the only one then it  
mathematically eliminates others and the Strike against Ex-JW Wally has Standing in this Court.

20

21

#### Interested party's position

22

23 The interested Party's position on this whole matter is Freedom of Religion does not allow  
24 Watchtower the right to operate a Government style Court and if such a Court is allowed then those  
that face the Court should be presumed innocent until proven guilty, and those persons charged  
should have rights of Due Process, Rights to Miranda, Rights to a defense Counsel.

25

26

27

28

1 The Court last heard the matter on March 2 2020 thus this document is filed within the Statute of  
2 federal limitations.

3 Respectfully Submitted,
